

Going Austria

5 days Total Immersion® German + 1 day Intercultural training

Total Immersion® German:

Total Immersion® is the fastest and most effective way to learn to speak a new language – all day long, even during lunch. It was developed in cooperation with the Department of Psychology at McGill University in Montreal. You'll speak, hear and think in your new language. A team of qualified instructors makes sure you progress quickly. 12 lessons a day, including lunch with your instructor and a daily one-hour training session with 2 instructors to practice.

Relocation Austria:

Are you moving to Austria? Do you want to adapt as quickly and as soon as possible? Our relocation program helps you to become familiar with the Austrian way of life in business and in your private life.

Main topics:

- Expectations
- History, religion, economy, administration, political situation
- Social attitude, Dos and Don'ts
- Intercultural differences: find out about your own preferences and become sensitive to the Austrian culture, find out and learn about how to avoid misunderstandings
- Cultural dimensions: communication, power, hierarchy, ...
- Business situations: greetings, introductions, meetings, management skills, e.g. leadership and motivation

Special offer price:

€ 4.601,- instead of € 6.065,-
